# Spiritual Warrior - Lyrics by Sean Gallows & Scott Dispel

*A life worTh living, yeT cold and hollow  
looking for meAning, what path to follow*

*morally void inside, darkness seeks tribute  
my doubts i must master, see through the illusion*

*CHORUS: x2  
push aside the fear  
desCend into the blacK  
scorn the inner demons  
there's no turning back*

*find the power, to change the seasons  
emptiness forgotten, seek noble reasons*

*a sacred warrior, for those in need  
walk the defiant path, the will to proceed*

*CHORUS: x2*

*life is a journeY, embrace disaster  
no mOre apprentice, be your trUe master*

*a life worth living, yet colD and hollow  
looking for mEaning, what path to follow*

*CHORUS: x2*

# The Call (to adventure) - lyrics by Scott Dispel & Ravensea

bound by walls  
you've created  
This labyrinth  
lack cultivation  
diligence  
leads to achievement  
this oasis is now your prison

**PRE-CHORUS:**  
now Your prison  
from your prison  
escape from your prison

**CHORUS:**  
indulging in Your gardens of babylon  
idling in disintegration  
biding for delights impossible  
you've turned this garden into a wasteland  
harken now and save yourself  
rebirth awaits your restless soul  
another world lies just beyond  
'cuz you've turned this garden into wasteland

heed this call  
you've seen in visions  
i lures you away

in preparation  
don't refuse  
it shall lead you  
beyond the frequent path of man

**PRE-CHORUS:**  
all Mankind  
for mankind  
a champion for all mankind

**CHORUS**

# Modal Consequence - Lyrics by Scott Dispel & Ravensea

*i bear your footsteps on the earth where i sleep  
awakened from my slumber as you march towardS defeat  
whispers of your coming like the mist on the glen  
my ancient roots unearthed as i rise once again*

## CHORUS:

*my bones they sing with warning...  
my blood, it carries the song...  
my bones they sing with warning...  
my blood, it carries the song...*

*you have crossed the threshold now repent for you sins  
devoured by the maelstrom, transformation begins  
steel the heart with courage, dishearten the dull blade  
call the inward warrior Your past self shall fade*

## CHORUS:

*my bones they sing with warning...  
my blood, it carries the song...  
my bones they sing with warning...  
my blood, it carries the song...*

*i have entrusted you With a sacred truth  
a gift to arm and guide you through  
the path before you holds rewards you may earn  
go forth with hero's blessings, to the earth my roots return*

## Abyssal Hammer - Scott Dispel & Sean Gallows

*fighting to find worth  
In turbulenCe all aRound  
looking blind in a haze  
where to stAnd my ground*

### PRE-CHORUS:

*oh, can you bear Them coming  
yeah, can you feEl their cunning?*

### CHORUS: x2

*abyssal hammer face the day  
abyssal hammer blocks the way  
abyssal hammer into the frey  
abyssal hammer lights the way*

*make amends to the past  
standing still on your path  
offer up your penance  
final string to vengeance*

### PRE-CHORUS:

*oh, can you fight their cunning  
yeah you can bear them running*

### CHORUS: x2

*before my eyes  
truth implicit*

*the goddess appears  
to bless my spirit*

## Gift of the Goddess, Andante in Bb

Based on Latin translation of 'Infelix ego' by Girolamo Savonarola 1498A.D.

*infelix ego,  
omnium auxilio destitutus  
qui caelum terramque offendi.*

*quo ibo? quo me vertam?  
ad quem fugiam?*

*quis mei miserebitur?  
ad caelum oculos levare non audio*

*quia ei graviter peccavi.  
in terra refugium non invenio  
quia ei scandalum fui.*

# Hero's Revelation: Lyrics by Scott Dispel & Ravensea

*Kneel - Humble Thyself  
Bow - Before the Goddess*

*Submit - To Rebirth*

*Surrender - Your Soul, shall be healed  
Be healed*

*...Your Soul, shall be healed*

# Temptation - Lyrics by Ravensea & Scott Dispel

*riSing form you knees  
with a breath of life renewed  
you hunger to be free  
with lustful T houghts you bRood*

## CHORUS:

*tear yourself away, now break away the chains  
taste the fruit that's forbidden  
indulge in the enchantment  
succumb to the allure*

*open with wide eyes  
to your potential and your power  
beed your inner greed and guise  
or enter the darkest tower*

## CHORUS:

*tear yourself away, now break away the chains  
taste the fruit that's forbidden  
indulge in the enchantment  
succumb to the allure*

*step forth to your destiny  
champion of all nations

with the tools of disgrace and tEmptation*

# Atonement, Adagio in Bb

Based on 'Infelix ego' by Girolamo Savonarola 1498 A.D.

*alas wretch that i am,  
destitute of all help,  
who have offended?  
heaven and earth*

*where shall i go?  
where shall i turn?  
to whom to fly?  
shall i despair?*

*dare not lift up my eyes,  
to heaven  
i have sinned.  
yet i find no refuge  
on earth*

*where shall i go?  
where shall i turn?  
to whom shall i fly?  
shall i despair?*

*far from despair*

*my savior is loving.  
god alone, krishna...  
therefore is my refuge.*

# Depth of Transformation by Scott Dispel & Sean Gallows

heard The call  
the challenge within  
to face my pride  
and humbly begin

plunged headlong  
into the Abyss  
proceeded to far  
found my soul remiss

like a puppets strings  
my senses under siege  
pulled to their limits  
instincts besieged

something inside endured  
beneath the maelstrom  
hidden reserve of light  
the spark to fuel the fight

PRE-CHORUS:  
through the pain  
and with broken blade  
my will battles forth  
overwhelmed and afraid  
full of pain  
wielding a dull blade

willing myself to battle  
overwhelmed and afraid

CHORUS: x2  
coming up through the depths  
making the arraignments  
coming up through the depths  
meeting with the ancients

before my eyes  
behold the truth implicit  
the goddess before me  
blessing my weary spirit

a hero's reward summons  
to the call of destiny  
bring forth the desire  
but resist the temptation

make amends to the past  
or stand still your path  
offer your penance  
vengeance at last

PRE-CHORUS

CHORUS: x2
